Track your Progress

View Required or Elective Courses

Choose your course, then click "Select Session"

The screenshot displays the 'Management and Associate Preparation Program (MAPP)' interface. At the top, a progress indicator shows '0%' completion. Below this, a sidebar menu allows users to filter by 'REQUIRED CORE COURSES', 'ELECTIVE COURSES', or 'ELECTIVES'. The main content area lists five required core courses, each with a 'Select Session' button. A red arrow points from the 'Select Session' button in the first course row to the text 'Choose your course, then click "Select Session"'. Another red arrow points from the 'Track your Progress' text to the '0%' progress indicator.
