WHAT WOULD YOU LOVE TO LEARN ABOUT?

UCLA Extension offers courses in a wide variety of subjects to suit every interest.

ENTERTAINMENT STUDIES

Learn the art and business of entertainment. Take courses in acting, directing, producing, cinematography, development, business and management of entertainment, music business, and film scoring.

HUMANITIES & SCIENCES

Subjects include psychology, political science, sociology, women's studies, history, literature, and the classics. Go on an archaeological dig or learn a new language!

BUSINESS, MANAGEMENT & LEGAL PROGRAMS

Courses are catered to career and skill set advancement. Areas of study include financial management, leadership, legal, homeland security, communications, HR, entrepreneurship, design thinking, and much more.

ENGINEERING & TECHNOLOGY

Programs help students stay current with industry trends and maintain career growth. A wide range of engineering and technical leadership courses are also offered.

EDUCATION

Since 1917, the Education Department at UCLA Extension has provided staff development and professional outreach to practitioners at all levels of education—from preschool through elementary, secondary, adult, and higher education.

AMERICAN LANGUAGE (ALC)

For employees who are overcoming a language barrier or learning workplace English, our Intensive English programs at the American Language Center offer state-of-the-art facilities and leading instruction.
